## TIP:

- Don't count on spill... the go-getter in your Upline may be 4 levels above you!  
So invite everyone you know to the Team Web Tour and build your own frontline!
- Don't discount anyone... let them decide for themselves.  
**Some will – some won't... their loss... NEXT!**
- If you have up to 10 people on your Frontline and you decide to spill under others...  
**DO NOT SKIP LEVELS to avoid the lower pay...**  
the matrix builds exponentially and you NEED Levels 2 and 3 to create Level 4
- Friends or family don't have a credit/debit card? Collect their cash and place their order from your store at retail – you earn 20% and you can drop-ship the order directly to them.
- Pet jerky is a hot seller... dogs don't complain about the taste (they love it!) Share some with your friend's dog and ask if they would like to earn two or more bags/mo. for free!
